

Caffé RōM Was Not Built In A Day!

After numerous trips to Italy, we always came back wanting more, more Italian coffee, and more of the Italian lifestyle. Our concept was born out of this desire to recreate in Chicago, the fine coffee bar experience found only in Italy.

RōM captures the essence of a Modern Italian caffè found typically in Milan, Florence and Rome, where the coffee bar is a place you visit several times throughout the day. RōM is all about the Italian lifestyle-great coffee, delicious pastry and a cool environment!

~La Dolce Vita!

RōM's custom-made bars are imported from Italy's finest designers and craftsman. Sleek and modern, they provide a visually refreshing change from the familiar coffee chain experience.

- Early morning RōM offers a variety of coffees, juice and European pastries.
- Midday features traditional Italian style Panini, and freshly made salads.
- Mid afternoon choices at RōM include our Signature Specialty layered drinks, the newest coffee creations from Italy – which are works of art! RōM also offers imported Gelato and fine Chocolates.
- Begin your evening at RōM with a glass of wine or Aperitivo, just like they do on the Via Veneto or on the Piazza Navona. RōM offers an always changing wine list and don't forget our favorite- Proseco! Toast another day of living the Italian lifestyle at Caffé RōM!
